I am a highly motivated and organized professional with a passion for success. I have a wide range of skills and experience in fields such as Graphic design, Video editing, project management, and data analysis. I have excellent communication and problem-solving skills and have a proven track record of meeting deadlines and exceeding expectations. I am a team player and have a positive attitude, always looking for ways to improve and contribute to the team. I am confident that I can be an asset to any organisation, and look forward to the opportunity to work with you.

WORK EXPERIENCE

2019-2020

The mysterious of science

As a moderator, I had made scientific posters on science and technology several times. Additionally, I had worked here to help spread understanding of the latest scientific discoveries and technological advancements.

2021-2022

Cultural Classicists

I worked here as an Initial Management Officer and Graphic team contributed to the group. Moreover, I made fantastic poster for upcoming event and news for the group.
